The SAT Suite of Assessments K12 Educator Reporting Tool

The afternoon session will be hosted by the College Board and provide an overview of the SAT Suite of Assessments, emphasizing access to and use of data to inform teaching, learning, and curriculum development. This session is designed to ensure that all educators have the resources to access, understand, and effectively use the data now available in the SAT Suite of Assessments K12 Educator Reporting Tool. It will provide an overview of the new SAT scores and concordance tables, as well as resources to support students’ use of their free personalized practice through Khan Academy.

Who should register?

- Curriculum Coordinators/Instructional Leaders, Directors of Guidance, and/or Data Professionals
- Recommended audience of two representatives per district
